Telangana.

Sir,

**Sub:-**Findings of Feedback from the stake holders – Action taken report – Last five years  
**Department of CSE** – submission – reg.

It is the usual practice in the institute to gather feedback from all the stake holders of the institute department wise. The material related to the **Department of CSE** are consolidated. They are 1. Students, 2. Teachers, 3. Employers and 4. Alumni. The feedback received either in physical form or in online mode is being analyzed for noting the findings. Suitable action is being initiated based on the nature of findings.

As we are affiliated to JNTUH, we would like to submit the findings of the feedback reports to the kind office for your information and perusal.

Thanking you,

Yours sincerely,

Principal

4. The following actions were proposed to be taken for the parent's feedback.

Action taken:

The feedback of the parents promoted the institution to add-on certificate courses, internships, industrial visits, talk by experts etc. into the curriculum to help shape the students technical persona, as per the requirements and wishes to the parents.

5. The following actions were proposed to be taken for the alumni feedback.

Action taken:

The opinion of the alumni and the benefit that they had derived, helped the institutions to focus on the Alumnae in the syllabus and add-on through extra and in-depth practical explanation, lab program, add-on real time experience etc., into the teaching learning methodology.

Sir,

**Sub:-**Findings of Feedback from the stake holders – Action taken report – Last five years  
**Department of ECE** – submission – reg.

It is the usual practice in the institute to gather feedback from all the stake holders of the institute department wise. The material related to the **Department of ECE** are consolidated. They are 1. Students, 2. Teachers, 3. Employers and 4. Alumni. The feedback received either in physical form or in online mode is being analyzed for noting the findings. Suitable action is being initiated based on the nature of findings.

As we are affiliated to JNTUH, we would like to submit the findings of the feedback reports to the kind office for your information and perusal.

Thanking you,

Yours sincerely,

SURVEY**

S.No	Name of the Faculty	DEPARTMENT	Class Level - Theory	Class Level - Practical/Lab	What is the response of the students in terms of complexity while applying hardware design related to the engineering problems?	Are you satisfied with the potentiality of the students in distinguishing and designing hardware design related to the engineering problems?	Are the students using basic engineering principles to analyze the performance of processes and systems and design solutions to meet desired needs?	What is the capability of students in giving practical exhibitions on progressive technology?	What is the ability of a student as an entrepreneur using various techniques and tools to solve real-world problems?	Can the students integrate engineering techniques, skills, and tools to solve real-world problems?	Are the students able to estimate the impact of engineering solutions in a societal context?	What is the student's ability to manage team to meet deadlines and address the ethical issues when working on engineering problems when leading a project?	Are the students able to collaborate with others when working on multidisciplinary teams?	Have you observed any growth in the interpersonal skills of the students as an individual and while working on teams?	What is the ability of students while addressing the business, financial, and market related matters associated with projects in engineering specialization?	Are the students willing to participate in seminars, workshops and tutorials, internships to acquire the knowledge on modern engineering practices?	Do you give class to have mini lab/short common and projects for activity based UG classes?	Would you like to have additional support for teaching learning system of course material?	Would you like to participate in creation of the repository material (course material, assignments, etc.)	More such workshops/ programs related to specific engineering and science problems	Ownership of research papers	Students' attendance in the class or teacher who is being evaluated	Skill of linking subject to life experience & creating interest in the subject	Blackboard helps student in providing study material which is not readily available in the text books say through e-resources, e-journals, reference books, open course ware etc.	Any suggestions

Date: 5<sup>th</sup> August 2020

## MINUTES OF THE MEETING

With reference to the circular dated on 4<sup>th</sup> Aug 2020, The DAAC assembles in India-meet virtual platform.

### Agenda:

- Identifying the curriculum gaps
- Action to be taken for Identified Gaps

During Meeting the Following Members were present

S.No	Name Of The Faculty	Designations	Signature
1	Dr K RAVINDRA	PRINCIPAL	
2	Dr S KANNAN	ASSOCIATE PROFESSOR	
3	Mr K Y SRINIVAS	ASSOCIATE PROFESSOR	
4	Mr B.MOHAN KUMAR	ASSOCIATE PROFESSOR	

The following points were discussed during the meeting and the minutes were recorded as below,

1. The committee members discussed about the feedback analysis of stake holders.
2. The members conversed on identifying gaps based on the analysis.
3. The following actions were proposed and action to be taken for the identified gaps.

4	IV-I SEM	Embedded Systems Design	RASPBERRY PI Programming
5	II-I	Digital System Design	Conversion From Mealy to Moore, Moore to Mealy Machine

4. The following actions were proposed to be taken for the parent's feedback.

Action taken:

The feedback of the parents promoted the institution to add-on certificate courses, internships, industrial visits, talk by experts etc... into the curriculum to help shape the students technical persona, as per the requirements and wishes to the parents.

5. The following actions were proposed to be taken for the alumni feedback.

Action taken:

The opinion of the alumni and the benefit that they had derived , helped the institutions to focus on the lumanae in the syllabus and add-on through extra and in-depth practical explanation ,lab program, lead-on real time experience etc ., into the teaching learning methodology.

5. The following actions were proposed to be taken for the employer feedback

Action taken:

Based on this feedback, it was felt that more emphasis should be given to training programs, personality development classes and Placement training.

Sir,

**Sub:-**Findings of Feedback from the stake holders – Action taken report – Last five years  
**Department of Civil** – submission – reg.

It is the usual practice in the institute to gather feedback from all the stake holders of the institute department wise. The material related to the **Department of Civil** are consolidated. They are 1. Students, 2. Teachers, 3. Employers and 4. Alumni. The feedback received either in physical form or in online mode is being analyzed for noting the findings. Suitable action is being initiated based on the nature of findings.

As we are affiliated to JNTUH, we would like to submit the findings of the feedback reports to the kind office for your information and perusal.

Thanking you,

Yours sincerely,

FACULTY QUESTIONNAIRE 10-20

SL.NO	Name of the Faculty	DEPARTMENT	Class Level - Theory	Class Level - Practical/ Lab	What is the response of the students in terms of the complexity while applying hardware design related to the engineering problems?	Are you satisfied with potentiality of the students in designing and designing hardware design related to Electronics & Communication engineering?	Are the students using basic engineering principles to analyse the performance of processes and systems and design solutions to meet desired needs?	What is the capability of students in giving practical exhibition of progressive technology?	What is the ability of a student as an entrepreneur or using various techniques and tools in engineering practice?	Can the students integrate engineering techniques, skills, and tools to solve real-world problems?	Are the students able to estimate the impact of engineering solutions in a societal context?	What is the student's ability to manage team to meet deadlines and address the ethical issues when working on engineering problems when leading a project?	Are the students able to collaborate with others when working on multidisciplinary team?	Have you observed any growth in the interpersonal skills of the students as an individual and while working on teams?	What is the ability of students while addressing the business, financial, and market related matters associated with projects in engineering specialization?	Are the students willing to participate in seminars, workshops and in workshops and in workshops to acquire the knowledge on modern engineering practices?	Do you have additional support for teaching through group, seminar, teaching Assistant, etc?	Do you give class and /or hobby projects for UG classes?	Would you like to have a system and activity based learning system of course material?	Would you like to participate in preparation of the repository material (course file, handout/question bank/etc)	More such workshop/program/courses related to specific engineering and science problems	Coverage of modern/advanced topics	Students' attendance/ presence in the class of teacher who is being evaluated	Skill of linking subject to life experience & creating interest in the subject	Blackboard/ Whiteboard/ Work in terms of legibility, visibility and structure	Helps student in providing study material which is not readily available in the text books say through e-resources, e-journals, reference books. ### MINUTES OF THE MEETING

With reference to the circular dated on 04<sup>th</sup>, May, the DAAC members met online for addressing and reviewing the following agenda.

Agenda:

- Reviewing and Planning of course content Delivery as per JNTUH curriculum by following the Academic calendar for the Academic Year 2019-20.
- Subject Allocation.
- Guidelines for the preparation of Course Material.

During Meeting the Following Members Were Present.

S NO	Name of the committee Members	Designation	Signature
1	Dr.Y.Stalin Jose	Professor & HOD	
2	Dr.Sarfaraz Ahmed	Professor	
3	Dr.Sambith Kumar Beura	Professor	
4	Dr.S.M.Subash	Professor	

The following points were discussed during the meeting and the minutes were recorded as below,

1. The committee members analyzed the department curriculum.
2. The committee members discussed about the feedback analysis of the same.
3. The members conversed on identifying gaps in curriculum based on the analysis.
4. The members reviewed and proposed ways to bridge gaps based on the analysis.
5. The following actions were proposed to be taken for the identified gaps.
