## MRITS – A BLEND OF MODERN EDUCATION AND TRADITION

Malla Reddy Institute of Technology and Science (MRITS) is an institution comfortable with the unique model of the technical education where the discovery, dissemination, and application of knowledge are synergistically balanced. It is a part of larger societal systems and dynamically fueled by the process of involvement - involvement in the needs of individuals; involvement in the nurturing of inquisitive minds; involvement in the transfer of ideas from the campus to the marketplace and beyond. The creation of new knowledge that will benefit future technological society is at the heart of our mission. In order to achieve a position of educational leadership, our institution fosters an atmosphere of intellectual excitement among faculty, staff, and the greater student community.

### "Intellectuals are not born but are made."

We believe in – "GNANAMEVA SHAKTHI". Knowledge imparts morals, honesty, power and potentiality to drive all of us to stand high in this society forever. As today's youth and budding generations have apparently been suffering from lack of proper direction, MRITS is the right place which envisions to channelize future direction. Every student has brilliant potential. We work passionately to transform every brilliant student into a Genius. We have trust in value based education. On the fine bedrock of India's illustrious tenets of culture and heritage,

we exemplify the secrets with contemporary instances from sports, entertainment, business and Industry besides education. MRITS imparts training in soft and hard skills and nurtures the students to make them ready for Industry in 21st Century, the century of change and challenge.

Mr. CH. Malla Reddy is the Founder Chairman of Malla Reddy Group of Institutions (MRGI) who has been in the field of education for the last 32 years with the aim of spreading quality education. It is the largest cluster of Technical Institutions in the state of Telangana. Today Malla Reddy campus has become a major learning centre with 21 institutions offering Engineering, Medical, Management and Pharmacy courses.

## Gold Medalist from Roorkee & Best Engineering College Principal Awardee in Telangana State

The task of the modern educator is not to cut down jungles, but to irrigate deserts.

Our vision is to create engineers, both men and women, to be Professional, entrepreneurial and innovative as well as technically trained, to transform engineering education in India so that they are capable of meeting the greatest global challenges of their era.

MRITS strongly believes that Higher Education and Research is the key for ensuring a future that is sustainable. MRITS's pedagogy, knowledge and experience earned over one and half decade will enable us to shape the innovation ecosystem of the next decades. MRITS is very proud to be associated with the pool of alumina who have been contributing to the Global technological advancements by being the key persons in all leading companies worldwide and by becoming entrepreneurs globally. This has proved to be the impactful outcome of the policies of MRITS.

I am hopeful that the students joining in our college "MRITS" will experience the blend of Modern Digital Remote Class room scenario and Traditional education. MRITS is fully prepared for engaging the students for 360° development in their personality and maturity levels to lead the future as proud citizens of India.
