From Principal Desk

Congratulations to the entire team that contributed to the successful publication of our monthly newsletter for the month of December 2022. Every month the college's newsletter shares relevant and valuable information regarding the college activities. We take pride in capturing this opportunity in shaping the institution's present and future in terms of initiation, technology, values and creativity.

MRITS crafted to encourage all the students to demonstrate similar zeal in their further endeavors to achieve greater heights in their lives.

I extend my happiness, support and congratulations to all the students and faculty with regards the Newsletter.

Fineza 2K22 by IEEE

Institute of Electrical and Electronics Engineers (IEEE) student chapter of Malla Reddy Institute of Technology and Science organized Event FINEZA-2K22 on 12th & 13th December, 2022 for 1st & 2nd year students. Total of 366 students participated in the event. The motive of this event is to invoke the hidden skills and talents of students.

This round has total 45 questions. Participants have to answer each question in 1 minute.

Round-2 is “ENTERTANZO”. In this round different games were conducted.

Round-3 is “BLACK HAWKS” organized on day-2. This round was innovatively designed by the IEEE chapter members. In this round the participants have to solve the riddles to reach the Hawks(final destination).

The FINEZA-2K22 Event has 3 rounds. Round-1 is “CHAOTIC SENSE”, It’s like a quiz which covered questions from Technical and Non-Technical background.

Praestantia by CSI

A 2-Day State level Technical Event “PRAESTANTIA” was conducted by the CSI Student Chapter of MRITS on 14th and 15th December 2022. Students of all the branches have participated in this event. It was a 2-Day event with 3 rounds in it.

Round-1: CIPHERER

Participants were given a set of encrypted text with a few deciphered messages. Participants who solved the maximum number of texts within the stated time limit were qualified for the next round.

Round-2: TROUVEZ TA RUE

Participants were provided with an interactive Maze to solve. The top participants who solved the maze within the given time limit were qualified for the next round.

Round-3: ANNUNCIO

Advertising is a subset of marketing that focuses on messaging to engage target audiences. Participants used advertising strategies and convinced the panel to purchase the product. The panel decided the best team according to their evaluation criteria.

Apart from the three rounds, brain-storming activities like Quizzes, JAM sessions, Puzzle games, and other interactive sessions were conducted by the team of CSI to engage the students. The jury selected three teams from round-3, who received the merit certificate. The winners were Mr. Vinay and Mr.Sai Vardhan from the AIML department. The feedback of the students was greatly encouraging for our Student Chapter to organize forthcoming events.
