Good Things come to those who believe, better things come to those who are patient and the best things come to those who don't give up

From Principal Desk

In every humankind, there is a world waiting to be explored. MRITS is committed in our mission to inculcate a state of dedication and commitment in every member of the institution to ensure a challenging and harmonious world.

Since its inception, MRITS is devoted to set benchmarks in nurturing the students to grow into strong, matured, kind and intelligent adults, who are original in their ideas and decisive in their actions. We further ensure that they are well equipped to face the competitive society with value-based knowledge and skills.

Keeping in mind that to teach is to touch a life forever, we believe in holistic education that encompasses academics, co-curricular activities, sports education and life-skills learning.

The campus, sports and academic facilities all bear testimony to this belief. Activities and events related to value education, environment, health education, games and sports, visual and performing arts, culture and heritage, personality development are effectively woven into the main fabric of MRITS life.

As Principal, I would like to personally greet all the stake holders of MRITS for their committed contributions in the diversified areas to uplift the image of the institution. It is my pleasure to congratulate the entire team that contributed to the successful publication of MRITS news letter for the month of February 2023.
