Varshika Shikshamala for all Staff (Staff Recreation)

The college management has arranged Varshika Shikshamala for all the Staff Members of the college. It was a platform for fostering friendship and strengthening mutual relationships.

Varshika Deepotsavam

Deepotsavam means lighting of the Lamps, with the light representing the knowledge and the light representing the soul. Hence we light a lamp to please our mind and devote ourselves to the objects that we gather in the form of science, literature, work, good values, health, happiness, and momentous experiences should be achieved during the period of study. Besides to study we make lamp and lamps and unite them with the lampstand, a ritual to increase our attention to the knowledge of the text. The celebrated Varshika Deepotsavam on the November 2021 in lightfulness and auspicious lamp festival during the month and this festival 200 students along with Staff have participated in glorious activities.

Helping Hands (Street Counsel)

In Tamil Nadu, there is an abundance of IT students whose parents get worried and get it put for their child. The students have to make the coordination of the college or other organizations but afterwards the funds are getting decreased and how they are getting support from this. We the members of the Street Counsel (SC) (www.streetscounsel.org) contacted our team to help them with providing their funds with FUNDRAISING activities.

Seminar on Women Health & Hygiene by WEC in Collaboration with MBCP

Women Empowerment Cell (WEC) has
organized Awareness on women's
health: "Healthy women are the
pillars of a healthy society" in
collaboration with Bala Prasad College
of Pharmacy, Mahanagar, on 18th
Nov 2023 at Seminar Hall, B1015 for all
academic members and 1st year students.
The event was successfully organized
with around 100 participants and the
session was very helpful in creating
awareness on various women's health
issues. The session was very informative
and also a learning call to all of us to
realize that our health and well-being
are in fact the greatest assets. Healthy
individuals are valuable because
they are like FUEL and FUEL increases
so that all students can take preventive
healthcare opportunities, problems arise
later on. The session also addressed
the gender problem, the gender and
disability barriers are very clearly
explaining various issues and what forms it
when we feel stress about various
issues. Overall, the session was well
informed about women's health and
healthy habits to practice in order to
avoid major health issues in future.
Session was concluded with the slogan
of "Healthy Women are the Cornerstone
of Healthy Society".
